Postgraduate Institute for Medicine
Professional Excellence in Medical Education

About this Training

Target Audience
Medi-Cal providers in California, and any other providers with an interest in ACE Associated Health Conditions, toxic stress mitigation strategies, and ACEs health disparities.

Learning Objectives
After completing this activity, the participant should be better able to:

- Describe the aims of Project NACES.
- Discuss strategies to improve collaboration between community health centers and community leaders to apply universal education on ACEs, and resilience-building strategies for farmworker communities.
- Introduce new resources that promote resilience and share information about ACEs and toxic stress.

Training Details
- Training Curriculum: ACEs Aware Clinical Pilots Series
- Release date:
    - June 20, 2024 – Addressing the Health Impact of ACEs and Toxic Stress in California Farmworker Communities
- Estimated time to complete activity: 1 hour
- Jointly provided by Postgraduate Institute for Medicine, Office of the California Surgeon General, California Department of Health Care Services, and UCLA-UCSF ACEs Aware Family Resilience Network (UCAAN)
- For questions regarding the certification of this activity, please visit https://www.pimed.com

Disclosure and Disclaimer

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified conflicts of interest (COI) are thoroughly vetted and mitigated according to PIM policy. PIM is committed to providing its learners with high quality accredited continuing education activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

The UCAAN faculty members and planners have nothing to disclose.

The PIM planners and others have nothing to disclose.

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

Computer System Requirements

This website supports a range of devices (computer, phone, tablet) offering several types of modern, officially supported web browsers, including: Google Chrome, Microsoft Edge, and Mozilla Firefox. In order to offer a modern experience, it is required for users to ensure that JavaScript is enabled within their browser.

Accreditation

Method of Participation and Request for Credit

In order to obtain your CME/CE certificate, please complete the post evaluation, which will be distributed at the end of the training.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and the Office of the California Surgeon General, and California Department of Health Care Services. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

Physician Continuing Medical Education *(AMA PRA Category 1 Credit™)*

The Postgraduate Institute for Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Nursing Education

The maximum number of hours awarded for this Continuing Nursing Education activity is 1.0 contact hour.

Continuing Social Worker Education

As a Jointly Accredited Organization, Postgraduate Institute for Medicine is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Postgraduate Institute for Medicine maintains responsibility for this

course. Social workers completing this course receive 1.0 clinical continuing education credit.

American Board of Internal Medicine Maintenance of Certification (ABIM-MOC II)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC point in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Pediatrics Maintenance of Certification (ABP-MOC)

Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 1.0 MOC point in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

Interprofessional Continuing Education

This activity was planned by and for the healthcare team, and learners will receive 1.0 Interprofessional Continuing Education (IPCE) credit for learning and change.
